Multifunction Printer

Superior color.
Solid performance.

xerox ®

WorkCentre® 7545 / 7556 Multifunction Printer

The print quality you need to succeed. With the Xerox WorkCentre 7545 / 7556 multifunction printer, you'll achieve high-impact color documents that impress customers and deliver results — while minimizing costs.

Get high-resolution color where it counts. The WorkCentre 7545 / 7556 gives your business documents the competitive edge.

Take color to a whole new level

The Xerox WorkCentre 7545 / 7556 with advanced Hi-Q LED technology helps you create professional-looking documents at the touch of a button.

- **High-resolution output, highly impactful documents.** With 1200 x 2400 dpi, photo-quality color images and rich, crisp text, your output always makes a huge impact.

- **Always accurate image quality.** The WorkCentre 7545 / 7556 multifunction printer employs advanced print heads with Digital Image Registration Control Technology, which ensures consistently outstanding image registration.

- **Impressive results.** Print brilliant, attention-grabbing images on a variety of stock as large as 12.6 x 19 in. and on paper weights up to 300 gsm, and take advantage of impressive finishing capabilities from saddle-stitch booklets to folded brochures.

Color By Words: Unique color control

Have you ever wanted to change the color of one object or area in a printout without affecting the rest of the page? With the Color By Words feature there is no need to go back to square one and manipulate source files. You simply select the desired color modifications from a drop-down list, and Color By Words will adjust your printout.

Original photo not right? Use the Color By Words drop-down list and choose "yellow-green colors a lot more green," and "red colors a lot more saturated." Picture-perfect results.

High-impact features, exceptional value. The WorkCentre 7545 / 7556 multifunction printer delivers more of the functions and capabilities your office needs.

The convenient front-panel USB port makes it fast and easy to print from or scan to any standard USB memory device.

WorkCentre 7556 shown with High Capacity Tandem Tray configuration, optional Convenience Stapler and Work Surface, optional High Capacity Feeder, and optional Professional Finisher.

Maximize your investment

The WorkCentre 7545 / 7556 multifunction printer is engineered to give you the reliable operation you demand, with a high-value lineup of standard features and functions.

- **Reduce outsourcing costs.** Bring expensive printshop operations in-house with powerful finishing options that include everything from folded brochures to saddle-stitched booklets, on media up to 12 x 18 in.

- **Manage print costs.** Use Xerox Standard Accounting tools to control print quantities and charge-back options. Plus, color authorization via MS Active Directory™ makes it easy to integrate the WorkCentre 7545 / 7556 with existing IT systems.

- **Customize your print driver's default application settings.** Now you can choose default settings per application, such as always printing MS Outlook emails in black-and-white, PowerPoint presentations in duplex mode, and more.

More standard features

- Print from and Scan to USB device
- Hard Disk Overwrite and Encryption
- Scan to Email, Mailbox, Network
- Earth Smart Print Setting
- On-box Optical Character recognition, searchable PDF
- True Adobe® PostScript®, PCL® and XPS

Scale up your productivity. Work faster and more efficiently with industry-leading performance and convenience features that simplify document management.

Get more work done in less time

The WorkCentre 7545 / 7556 backs up high-quality color output with outstanding performance in every category.

- **Get fast results.** Experience high output performance with print speeds up to 50 ppm color and up to 55 ppm black and white, with a first-page-out-time as fast as 5.8 seconds.

- **Keep the busiest workgroups productive.** Robust concurrent processing and massive 2GB system memory and 1GB page memory handle multiple complex jobs with ease.

- **Networked to share.** Gigabit Ethernet is standard, and everyone, regardless of environment – Microsoft Windows®, Apple Macintosh® and Linux – can tap into the power of the WorkCentre 7545 / 7556.

- **Print without delay.** Our Smart RIP technology allows the first page to start printing while subsequent pages are still processing.

- **Maximize uptime.** Generous, scalable paper-handling options support media capacities up to 5,140 sheets in a wide variety of media sizes, types and weights.

- **Reduce network traffic.** Access scanned documents faster with advanced file compression techniques that dramatically shrink file sizes, reduce storage space requirements and cut down on document traffic on your network.

- **Scan faster.** The WorkCentre 7545 / 7556 multifunction printer quickly scans your documents at up to 70 images per minute.

- **Xerox SMart Kit® technology.** Easy-to-change critical components of the WorkCentre 7545 / 7556 are constantly monitored to predict and prevent downtime.

Streamline operations with powerful convenience features
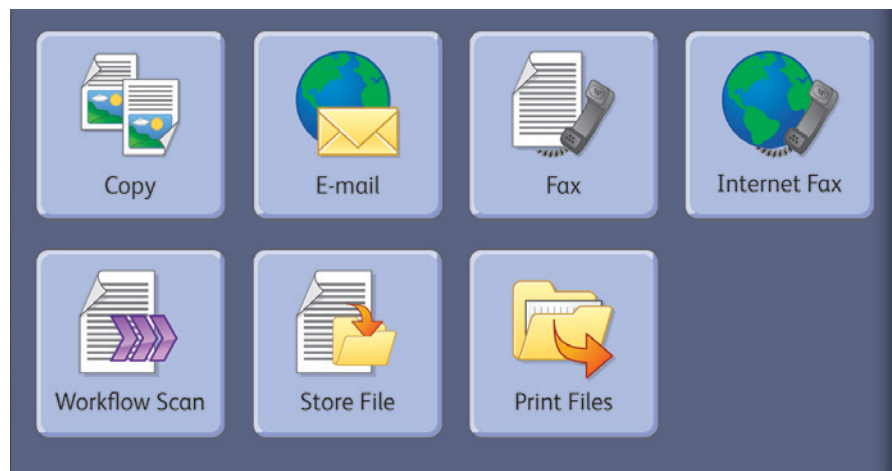

At the touch of a button, all users can print, scan, copy and fax documents with ease, giving them more time to focus on the tasks at hand.

- **Walk-up simplicity.** Print from and scan to any USB memory device for faster document delivery when you're not at your computer.

- **Your job, your priority.** Our Print Around feature lets your job move ahead of stalled documents in the queue.

- **Easy document management.** Index, archive and retrieve scanned documents right from the front panel.

- **Advanced, paperless faxing.** Your users can send and receive faxes without leaving their desks. LAN fax sends faxes directly from applications on your desktop. Plus, fax-forwarding lets you forward incoming faxes to an email address or a document repository as secure, searchable PDFs.

Simplified user experience

Spend less time on support and more time getting the job done with simple-to-use interfaces that make it easy to find and manage features.

- The WorkCentre 7545 / 7556 features intuitive commands and navigation that make it easy to find the right function, fast.

- A simplified user interface for Web, PC and front panel operations keeps learning to a minimum.

- On-board information pages give you flexibility over hard copy documentation. Access and print documentation about how to use particular features and functions right from the device's front panel.

The innovative touch screen on the WorkCentre 7545 / 7556 front panel makes walk-up operation simple as can be. It features bright icons and intuitive navigation for optimal ease-of-use.

Strengthen the power of your enterprise. Add powerful network-device and document management capabilities to your business, and you can exchange and access information while producing fast output from any location, securely.

Powerful document management

Eliminate redundancies and maintain network efficiency with easy-to-use network management tools that let you access, manage and print documents anywhere on the network.

- **Full range of scanning solutions.** Simply scan your hard copy documents and get searchable digital files that can be automatically shared via email or network folder, or stored on the device or any USB memory device for true portability. And it all comes standard.

- **Streamline document routing and collaboration.** With the powerful EIP platform, easily create personalized scan menus, retrieve scanned files, and route documents to pre-assigned destinations with one click of a button.

Fleet device management

Powerful applications simplify device monitoring and administration.

- **Single print driver works with all printers.** The Xerox Global Print Driver® supports Xerox and non-Xerox devices on the network. Never have to redeploy another print driver, saving hours of downtime.

- **Bi-Directional status.** Xerox print drivers integrate powerful bi-directional tools that offer real-time status and automatically detect and install new device options such as paper trays and finishers.

- **Application defaults.** Users can save print feature defaults and automatically apply those settings each time they print from that application. For example, print all presentations in color and emails in black-and-white.

- **Configure once, apply fleet wide.** Xerox multifunction device configurations can be cloned and distributed to all similar multifunction devices on your network, eliminating the need to configure and manage each device individually.

Total security — standard

The Xerox WorkCentre 7545 / 7556 helps you protect vulnerable access points and comply with the latest security standards.

- **Prevent unauthorized access.** Powerful authentication features such as network authentication, smart cards, and role-based and function-level login ensure only authorized users can access the device.

- **Keep your documents safe at all times.** Safeguard your documents on and off the network with standard security features such as secure print, IPsec, and hard disk encryption and overwrite.

- **Maintain information integrity.** IPsec, SSL encryption, FIPS 140-2, 802.1x, IP filtering and extensive audit logging ensure your data is securely connected, encrypted and protected.

- **Proven security with closed-loop response.** Full system validation at EAL 3 CCC (pending certification) ensures end-to-end protection. And with our proactive response system we keep devices and information secure by identifying potential vulnerabilities and providing quick updates.

Environmentally sound

The WorkCentre 7545 / 7556 multifunction printer helps you in your efforts to create a greener office with cutting-edge reductions in energy consumption.

Energy saving performance

- **Low energy consumption.** The WorkCentre 7545 / 7556 consumes less power in standby, low power and operating modes, resulting in greater energy savings in the office.

- **Fast warm up.** Ready when you are, the WorkCentre 7545 / 7556 recovers from sleep mode in less than 10 seconds.

Responsible printing

- **Earth-smart.** Our innovative new Earth Smart feature allows you to choose the most environmentally sensitive options for your job.

Cutting-edge technology

- **EA Ultra Low-Melt toner.** Our EA Ultra Low-Melt toner achieves minimum fusing temperature at 68 degrees F (20 degrees C) lower temperature than conventional toner for even more energy savings and brilliant glossy output even on ordinary paper.

- **Induction heating.** The newly developed, heat-efficient IH fuser consumes substantially less power in standby mode and achieves a start-up time of less than 15 seconds.

- **LED scanner.** The innovative LED scanner consumes 1/3 less power than traditional Xenon lamps while achieving a scan speed of up to 70 ipm.

- **Hi-Q LED Print engine.** Proven Hi-Q LED print engine technology consumes less energy and space and produces less noise, while printing resolutions of 1200 x 2400 dpi.

Environmentally compliant

- **The WorkCentre 7545 / 7556 meets stringent environmental standards:** ENERGY STAR®, Reduction of Hazardous Substances (RoHS) Directive, Waste Electrical and Electronic Equipment Directive (WEEE), Blue Angel and ECO label.

Xerox Workflow Solutions take your WorkCentre 7545 / 7556 multifunction printer to a higher level of office optimization.

Your key to a simplified office.

Xerox Workflow Solutions connect users to the tools they need to make their information workflows faster, more efficient and more effective.

Control access to information. Reduce the costs of information workflow and your organization's environmental impact. Enable new ways of working that streamline and accelerate business cycles and give you a competitive advantage.

Xerox Workflow Solutions give you measurably better ways of working with information no matter what industry, no matter how big or small your organization, and no matter where you operate.

With Xerox, being mobile has never been easier. The WorkCentre 7545 / 7556 can be enabled to work with the Xerox Enterprise Print Services Mobile Print solution. Print simply and easily — and documents will never get left behind again.

- All you need is your smartphone

- Now your users can print quickly, easily and securely

Personalized solutions you access right from the touch screen interface.

These are just two examples of the many possible Xerox Workflow Solutions.

Xerox® Scan to PC Desktop®

Customize the scanning menus on your WorkCentre 7545 / 7556 multifunction printer directly from your desktop. Scan to PC Desktop turns a shared multifunction printer into your own personal multifunction printer, making it easy to securely scan files to your desktop folders.

Xerox® Secure Access Unified ID System®

Secure Access integrates with your existing employee ID badge solution, allowing users to unlock access to system features via badge proximity or swiping. Usage data can then be made available to other solutions for tracking, accounting and regulatory purposes.

Harness the power of Fiery

Upgrading your WorkCentre 7545 / 7556 with an EFI Fiery® network server gives you a host of benefits including easy-to-use color management tools, enhanced productivity and security features and flexible workflow tools.

Enhanced Productivity
- Takes advantage of easy job set-up functions and automated job submission features available through Hot Folders, Virtual Printers and EFI™ Spot-On.

- Produces sophisticated results with Booklet Maker, a wizard-driven workflow that guides users through the entire process.

- Increases throughput with Fiery Smart RIP technology and produces consistent output faster, regardless of file format.

Improved Color Management
- Produces accurate and consistent color across applications, platforms and color file formats with EFI Fiery ColorWise®.

- Creates precise and consistent corporate colors across all documents with a PANTONE® calibrated printing solution.

Increased Flexibility
- The easy-to-use 3D Interfaces with Fiery VUE guide users to visually create professional-quality booklets and documents before they print, delivering expert results with reduced waste.

1

High-Capacity Feeder holds 2,000 sheets of paper. Choose our 2,180-sheet capacity (3 Tray option) or our 3,140-sheet capacity (High-Capacity Tandem Tray option) model, then add our High Capacity Feeder to bring maximum capacity to 5,140 sheets.

2

Exceptional media flexibility. The WorkCentre 7545 / 7556 handles a wider range of media types and weight from more trays than most devices in its class. It supports up to 300 gsm and media sizes up to 12.6 x 19 in.

3

Print envelopes easily using our optional envelope tray (replaces Tray 1).

4

Large work surface (included with Convenience Stapler) gives you plenty of room to sort documents.

5

Xerox Extensible Interface Platform (EIP) (standard) enables easy creation of customized workflows, letting you personalize scan menus, retrieve scanned files, and route documents to pre-assigned destinations at the push of a button.

6

Office Finisher LX* (optional) gives you advanced finishing functions at a great value.

7

Professional Finisher (optional) adds 50-sheet multiposition stapling, hole punch, V-fold and saddle-stitch booklet making.

* shown with optional booklet maker

WorkCentre® 7545 / 7556 Quick Facts

- Print/copy up to 45/50 ppm color and 45/55 ppm black-and-white
- Powerful scan features, including scan to mailbox and network
- Fax solutions available, including network integration
- Maximum paper capacity: 5,140 sheets
- Xerox Extensible Interface Platform (EIP)
